

Mother Teresa
Regional School

Reach Higher

July 8, 2011

Dear Friends of MTRS,

Thank you for your past support of Mother Teresa Regional School. For the 2011-2012 school year, we are asking for businesses and individuals to consider adopting a class for \$300 or making a donation of an item to the school. Each year budgets get tighter and your donation will allow the school to purchase items for the classroom that will enhance the curriculum, allows the teacher to do special projects, and offer more to our students. This donation is tax deductible and a letter will be provided for your records.

Teachers have such items as individual whiteboards for student responses, maps for the classroom, art supplies, subscriptions to Weekly Reader, and science experiment supplies on their list. A list of the classes that are available to be sponsored is enclosed. The school has also developed a wish list for items that can be memorialized in the name of your business or perhaps a loved one. The wish list and costs of the items is enclosed for your review.

As an adopt a class sponsor, your name or business name will appear in the September newsletter to parents, outside the classroom throughout the entire year, on the class webpage for the entire year with a link can be put on the site to your company site, and you will be mentioned in the bulletins of the five sponsoring parishes twice as a thank you. In addition to the above for those who purchase an item from the school's wish list, your name will be listed on the school's website as well as under the support us page. In addition, your gift will be noted on a sign in the main office of the school.

Thank you in advance for your consideration. We appreciate all that you do for the students of our community.

Sincerely,
Melissa Whelan Wisk
Principal
