We Love Art!

Our little artists have been hard at work in the art room. We have studied and explored various artists and techniques such as inspirational painter, Kelly Rae Roberts. Each student's rendition of her style will be on display at our First Art Show, the Christmas Bazaar in December. Students also completed their newspaper collage portraits,

inspired by George Braque and had a blast while creating popsicle sticks house, chain link garland and personalized Halloween pumpkins. we are currently getting into the holiday spirit a little early this year by getting a head start on our Christmas cards. These masterpieces will be sent a professional printing company and

parents will have the opportunity to order them just in time for Christmas! I personally had a wonderful time at "Trunk or Treat" with all of the kids. I just had to share these photos as well. Thats it for now. I look forward to time in the Art room. Happy Creating!
