King James Giving Tree

If anyone took a gift tag from the King James Giving Tree in the cafeteria, the gifts are due tomorrow. They will be distributed at the nursing home; thank you for your kindness and generosity.

Thank you

Thanks to Mr. Harvie for again recording our Christmas concert this year so we can watch it again at our leisure or show it to family who could not attend. We are grateful to him for his assistance. Please place any orders for the DVD no later than Friday, December 16th.

January 2nd

Monday, January 2nd will be a day off from school. This will count as one of our snow days and if need be will be replaced with school on May 7th. Hopefully we will not need more than two additional snow days this year. Enjoy the extra day for your Christmas vacation. Go Big Blue.

Holly Jolly Hockey

Thanks to Mr. Duminski and Mr. Caggiano for offering the hockey program over the Christmas break. Check out the enclosed flyer and RSVP for this fun time.

Polar Plunge

Who will be dunked? Mrs. Taylor and Mrs. Wisk are both plunging again this year. In order to raise some funds and have some fun they are conducting a penny war to see who will be dunked. The teacher with the most money in their penny jar will be dunked by a student plunger. You may donate your pennies at lunch in the respective jars. Don't forget to sign up to plunge or sponsor Mrs. Wisk. We will be collecting at the churches this weekend.

School Play Performance for Seniors

The drama club would like to invite seniors to view a complimentary performance of their play on February 2nd. If anyone knows of a senior center or group that would like to be invited please notify Miss Reddan at first@mtregional.com. Dessert and coffee are also provided at the performance.

Clothing Drive Reminder – 12/16/11

Reach Higher

It's finally here. The free fundraising activity!

You may begin to drop off your clothes in the cafeteria on Wednesday before and after school. Clothes should be placed under the stairwell on your way to the cafeteria.

Please ask your friends and family to help with this event, it doesn't cost them anything!

Reminders:

We are paid by the weight of your items, so get rid of some of your old clothes, coats, bedding, handbags, belts, stuffed animals, and shoes!

Shoes should be labeled and bagged separately. We actually get more money if all the shoes are separated.

They accept bikes, so if you think Santa will be bringing you a new one, please send us your old one.

Hard toys are accepted, but there are some specific requirements for those. They need to be able to fit into a 24" x 24" x 21" box. So, you can put several action figures and other small items into boxes and they will gladly accept those.

Books are not accepted, sorry!

As usual, if you have any questions on the clothing drive, you can text me anytime at 732 673 7217 or call me on the same number after 6pm.
