2012 INTERNATIONAL AVIATION ART CONTEST

Dear Principal/Administrator:

The theme for the 2012 International Aviation Art Contest is "**Silent Flight**". The contest is open to all students between the ages of 6 and 17. **All entries must be postmarked no later than Friday, January 13, 2012.**

The contest brochure is posted on the State website at:
<http://www.NJ.Gov/transportation/airwater/aviation/news.shtm>.

Please make this information available to all of the students in your school(s). The brochure is self-explanatory. However, please have the students pay particular attention to the **Contest Rules** section. This section specifies the size of the artwork and other requirements, including the types of medium that are acceptable. Please remember that there should only be one artist per entry, and group projects are not permitted. Also, student names should not appear on the front of the artwork.

All entries must have a completed **Certificate of Authenticity** affixed to the back (available on the brochure). **Please be certain that all information is included on the form.** Entries with incomplete information will be disqualified. Note that required fields are designated with an asterisk and include the Student's Age, Date of Birth and Signature of Parent or Teacher.

We are looking forward to another successful contest this year.

Sincerely,

Talvin E. Davis
Director
Division of Multimodal Services
